Why choose Quebec City?

Quebec City is one of the safest cities in North America. Moreover, Quebec City was declared an official World Heritage site by UNESCO in 1985. Its rich history, its unique culture, its francophone flavor and its affordable cost of living compared to other big cities in North America and Europe make it a desirable destination for almost 1,000,000 tourists every year. Quebec City has the charm of a big city, with the countryside only a few minutes away by car. It is a traffic free city, where you can feel safe at any time of day or night. It is known for rich gastronomy, and its world-famous festivals; all this in the largest 100%-Francophone city in North America.

Quebec City is even more than all this, it is **the accent of America**.
