Advantages of studying with Edu-inter

- Student have constant support through tutors, Edu-inter staff, psychologist, etc.
- Credits are easily recognizable when returning to school in the home country
- Pedagogical reports sent to parents every 3 months
- The Edu-inter team is available around the clock and there is always someone available to assist you in your native language
- Emergency service available around the clock
- The first bulletin or report counts for only 20% of the final grade

Residence life

Our students are housed in a student residence for the entire week. The residence favours a stable rhythm of life and allows to enrich the student community. Living in residence is an extremely valuable learning experience, it builds personality and character.

The experience helps our students discover values such as friendship, fraternity and empathy.

It helps develop a sense of responsibility, autonomy and commitment. The residence is available to all students between the ages of 13 and 19 who come from abroad or from remote regions of Quebec and other provinces.

In the residence, students live in a safe and warm environment. A team of adults/animators will accompany them in their daily life and aid in their personal development. A variety of sports and cultural activities are offered. Birthdays and special dates are also celebrated in the community.

Why choosing the province of Quebec to study?

Quebec stands out as an ideal destination for international students seeking to advance their academic and personal aspirations. Its commitment to education and rich cultural heritage have made Quebec an ideal location for international students. Those considering studying in Canada should look no further than Quebec.

Bilingualism. As the largest French-speaking province in Canada, Quebec offers a unique opportunity for international students to learn or improve their language skills by immersing themselves in French, while perfecting their English.

High-quality education. Quebec is home to several world-class institutions. Its high standards of education are internationally recognized.

Access to natural beauty and diverse activities.

Quebec is famous for its breathtaking natural beauty, including the magnificent St. Lawrence River and the rolling hills of the Laurentian Mountains. As an international student, you will have access to a variety of outdoor activities, which provide a much-needed tranquility from the rigours of academic life and allow you to connect with nature.

In winter, there are also many unique and fun activities to experience. Popular activities for Quebecers include skiing at Mont Tremblant, snowshoeing at Mont-Royal or attending Winter Carnival in Quebec City.

No matter what your hobbies are, you're sure to find fun ways to pass the time, no matter the season.
