The school is centrally located on the Collège Mérici campus in downtown Quebec City, close to major tourist and cultural attractions. On-site facilities include a gymnasium, aerobics room, library, computer labs, an internet cafe, cafeteria, a student lounge and ample green spaces.

Our partner music center is one of the most important music schools in Quebec. As part of the Quebec government's system of music institutions across the province, this school provides excellence in music training at all levels. The facilities include soundproof practice rooms and students bring their own instruments, or can use or rent those available on-site (subject to availability).
